THE PIONEER of 1947

In Recognition of Our Principal

Miss Mary H. Kerr

The publication of this year's Pioneer Yearbook is in salute of the sixteen year principalship services given to the school by our Principal, Miss Mary H. Kerr. Formerly head of the Mathematics Department Miss Kerr served as Assistant Principal of Garfield Heights High School from 1928 to 1931, and Principal since September, 1931. She was founder and first advisor of the Girls' Friendship Club.

During the war years, Miss Kerr kept in constant touch with the Service representatives of our school. She has recently served as secretary of the Northeast Ohio Vocational Guidance Association, and is active in the affairs of the Ohio High School Principals' Association.

Appointed Director of Guidance and Special Services in Garfield Heights City Schools in October, 1946, Miss Kerr expects to take up her new duties when a successor to the principalship is appointed. Miss Kerr, always interested in student counseling as well as in home and community contacts, looks forward to her new position because of the greater opportunities in these fields.

ADVENTURES IN LIVING

In the final analysis, all education is very largely a matter of experience and educational experiences are by no means limited to a school building. A school, at its best, is but one agency of society for organizing certain types of experiences in ways which are apt to prove most useful and beneficial to its students in later life. This point of view suggests that children are likely to best learn the importance of their individual responsibilities as citizens in a democracy through the actual assumption of responsibilities in planning, organizing and participating in school affairs. One cannot learn to play the piano by watching someone else play the instrument. The learner must himself get the "feel" of the keys. SCHOOLING and LIVING have thus gradually become synonomous terms—identical in their implications. It may be said, therefore, that the good school is the one that relates its program and activities to those of the community and the society which it serves.

Never before in the history of the world has there been a more urgent need for the education of all the people. World peace in the Atomic Age is a matter of survival. It is also a matter of education for world citizenship involving the assumption of new responsibilities. Man's power for self-destruction is now complete. We must either educate ourselves or perish in the attempt. It is later—much later—than most people surmise or care to admit.

—FRANK J. KNIOLA, President,
Garfield Heights City
Board of Education.

Class Prophecy, January, 1947

I had the strangest dream last night. In it I thought I'd take a little ride in my heliocopter so I went back to the garage and got ready to take-off. Soon I was in the beautiful wide blue sky along with 20 or 30 other heliocopters. I was in an exploring mood so I took a route I had never traveled before. After riding a while I entered something which seemed to be a cloud. Everything was quite dark except for the two flashlights I had tied on the nose of my plane when suddenly I saw before me a deep, shadowy, yet beautifully picturesque area which looked like something from "Alice in Wonderland". I thought that while I was there I might as well investigate my surroundings. I landed and as I entered what appeared to be a cavern, I noticed a man with a long beard, dressed in flowing robes. I persuaded myself to keep calm and asked him where I was. "You are in the land of prophecy," said he. "I was just going to see how the January, 1947 class of Garfield Heights High School is coming along. Would you like to look into the crystal ball with me?" "Indeed I would, said I, and fastened my bi-focals on the globular object.

The first thing I saw was Ed Mayeros, the multi-millionaire of Garfield Heights arriving at the "Wrestle-Nestle," a famous night-club owned by Eneo Cifani who runs a garage on the side. At another table was Ray Pilarowski, special F. B. I. agent, checking-up on playboys Richard Glasko and Ed Hurley.

As the old man turned the crystal ball, I saw Congressman Ralph Gibbons dictating to his secretary Kathleen Ditzler a letter to Jim Waters, telling him not to give up hope and he would graduate from college someday.

On the other side I saw Ralph Obert, the college "Romeo" ordering flowers from Bob Renkel's Florist Shop, and there down the street was the mailman, Chuck Andrle, delivering bills to Ken West while he tried to decide what he wanted to do to earn a living.

Next door was a beauty shop owned and operated by Elaine Weber, and who should be in the shop but Marilynn McKenzie, a happily married woman giving her daughter a permanent. Then I saw Don Davies who was a foundry supply salesman trying to become a forest ranger visiting Jack Hiebsch who had devoted his life to drafting. (Not the Military kind.) The old man then told me to look deeper into the crystal ball and I obeyed his commands. There—now I see. Why it's Jim Swinehart, B.S.; M.S.; PhP; L.S.; M.F.T.; receiving his third Nobel prize for his work on the secret chlorophyll while head of the Chemistry Department of U. C. L. A. Watching the ceremonies were Richard Schlegel, a research chemist and Lucille Mion, who vowed she'd be a mathematical engineer if she blew up in the attempt.

Walking down the street was Eugene White, chief butcher at Swift Co. on his way to have a tooth extracted (poor kid) by J. D. Prusinski, Jr., dentist extra-ordinary. At this time I glanced up and noticed the old man looking intensely into the globe. As my gaze returned to the crystal ball I noticed a super Pan-American Clipper with Wallace Jacobs at the controls, assisted by Almira Arnold. On board were Elsie Welsh, traveling agent for W. W. W. S. and Harry Burnell, famous Y. W. C. A. (the M. is not upside down) social worker all over the nation. Gradually the crystal ball is darkened but there was something else I wished to see. I asked the old man to allow me a glimpse of G. H. H. S. He thrust the object into my hand and I saw the old Alma Mater. Yes—Mr. Woods was still there and I noticed Rose Bannaian had become a member of the faculty.

The old man then took the crystal object from my hands and told me I must leave for it was nearly dawn, but before I left I thanked him for the opportunity of allowing me to see what was ahead for the January class of 1947.

Class Prophecy For June Class of 1947

Last night, I sat comfortably in a seat on the streetcar, it was rather late and I was very sleepy. As we slowly rode down Broadway, I found myself dozing off to sleep.

A hazy mist slowly appeared before me. It seemed as though I had entered a new world, and the year was 1965. A figure slowly emerged out of the mist. Imagine, it was one of my old schoolmates, George Bauer, who was walking his beat. He was warning Donald Turk to inform his street cleaners to improve their work, or he would take the matter up with His Honor, the mayor, Bernard Ponchock.

I felt rather thirsty so I stopped off in one of Norman Kubinski's delicatessen chain stores for something to drink. As I walked out, there were two W. P. A. men working on the road. I recognized them as being Walter Wawrowski and Nick Milkovich. The forman, Mike Romanik, was standing over the two men. to make sure they worked.

It being a very warm and pleasing afternoon, I decided to walk through town to see what was new. The first thing that caught my eye was a huge sign on a newly designed building. It read, "Joan Baker, Commercial Artist"

As I started to cross the street a large cross-country truck passed me. I noticed that the driver was Donald Mackay. In front of me there was a large, clean-looking, gas station and garage combined. I glanced a second time at the building and discovered a sign above the doorway which read, "Proprietor, Jim Marsh". While visiting a new apartment building I noticed several professions were listed on the directory. Bill Schmidt, dentist; Rose Marie Hovorka, piano teacher; and Ruth Wurgler, dancing teacher. Doctor Joseph Teramano, a famous surgeon, is also located in this building. I found Doctor's Raymond Nagel and Byron Svetlik's names listed on the directory too. Just as I was leaving the apartment building, I found Don Peter's Florist Shop.

Across the street I was surprised to see a new store opening up. A sign on the door read, "If you are now a blonde and would like to remain one, try our new solution," I then knew that it was owned by Wanda Latek.

Ray Grazak, Chuck Keirnan, and Ernest Mickey are embarking an ambitious program of hiking to Alaska to find gold, marry rich girls, and become millionaires. As I walked around the corner I met Glenn Cook, naturally I asked him how he was and he replied, "Just happy. Ho, Ho." On the same street I met Julia Repke who said she was making the most of things.

As I kept walking I noticed a very fat man coming towards me. I could not recognize him as he seemed to be in some kind of a fog. When he came closer, I noticed it was Bill Lewandowski. When I asked him how he had gained so much weight, he said he is now eating spaghetti and meat balls for breakfast, dinner, and supper

Continuing down the next street, I passed a fish hatchery, and found the proprietor to be Gilbert Zaworski. I soon heard some strangers remarking that Wilbur Wesley Jones is one of the most successful business men in town. I now noticed an interesting sign outside of an auto repair shop, which read, "Antiques—Specializing in '34 Chevrolet's, Arlene Horak, Owner."

I seemed to be out of the business section and was now in the residential district. I noticed a sign, "Lawyer" on the house of my old class president, Dave Laurenzi. I saw August Brown walking out of his house, where he remarked that he and Wayne King are bachelors and intend to remain the same. He also said Mary Caputo was happily married to "Sniffer."

June Prophecy, continued

A beautiful auto passed me by. Who should I see inside of it but Erma Wolfe, who is now happily married and advises other couples how to be happy in her daily "love lorn" column, featured in the Cleveland Press. I now met Martha Moore, happily married to a gangster, who is now taking a twenty year enforced vacation. She informed me that Lois Wem is married and has a family and that Audrey Namoski is the mother of four beautiful children. Miriam Johnson is still the answer to some man's prayer.

I later discovered the football players and cheerleaders of my good old Alma Mater are Pat Jaro's sons and daughters! To my amazement I found the basketball team are the sons of Carol Schmiel! Pat Mosinski, Ruth Tunison, and Barbara Sullivan are also happily married. It is not necessary for housewife, Grace King and her husband to get a deck of cards, for they have their own twelve little Kings and Queens running around the house.

This exclusive residential district would not be complete without having Gun Moll, Barbara Perry being chased by Policewoman Gerry Jones. I am now entering the suburbs where I find Angeline Ochocki and Bill Watson in the diaper business and doing fine. They remarked that Rose Marie Dougher is raising a family on a farm.

After visiting with the diaper business, I stopped to have a talk with Eleanor Zahn, who is a stenographer at Garfield Auto Parts.

It is rather late and I am getting hungry so I have decided to visit Bill Beaumont's famous night club. Ralph Podwojski, with his big time band, played my favorite song "An Atom Bomb and You". I learned that playboy, Ray Lawrence, is present at each performance. After the band's appearance, Seigfreid Strickhausen came out as a chorus boy. Richard Kucera, a famous photographer, is also present taking pictures for the Press.

Walking out I bought a Scripps-Howard, Cleveland Press from a newsboy on the corner, to read Ted Serio's resume of the latest home town news. Bob Bode, who is on furlough, from a successful Army life, also bought a paper. The headlines of the paper informed me that Milton Steward is our first Communist president, with Don Lendzian still running against him. Other election returns are: Daniel Schiely, Captain of the Yo-Yo team; Bob Van Cura, president of the A. A. A. (Auto Antique Association.)

Glancing over the paper I found that Wilma Kist was cited, by the President, for the first parachute jump made by a woman from a plane. In this plane was Joe Plichta, a gunner. Don Bohning is still employed as a steeplejack on the Bond Clothing Store which is not completed yet, while Henry Portman is a big business executive. Jim Porubsky is making himself a worth while citizen, being president of Porubsky and Sons, Inc., employing the following private secretaries: Ann Kondas, Olga Kurkanovich, Gerry Sovol, Doris Svoboda, Betty Nemeth, Marge Mericka, Dolores Samerdyke, Edith Gabriel, and Jean Kerr. Norma Cannon is a comptometer operator, with Shirley Perzeski as switchboard operator.

June Prophecy, concluded

Len Walski owns the title of being the only man in the world still collecting unemployment checks. Reading one of the vaudeville shows I find that Eleanor Eaton and Loretta Mills are Big-time vaudeville dancers. Eleanor George is leading a successful career as a gag writer, for the great comedian and television star, Vernon Klopp who pays her $35,000 weekly. Libby Fields is also leading a successful artist's life while radio celebrity Orville Melcher, is the leading announcer.

Latest society news reports that Edward Weiland, Evelyn Smotek, Paul Hurst, and Frances Holligan have made their first million and are classified as millionaires. Jean Santin and Anna Marie Pirrone recently married millionaires, while Madeline Green is a rich widow. Leona Kaminski has inherited an estate, a yacht, and other luxuries and is quite thrilled over her good fortune.

Glancing through the women's page I read where Don Osowski, a "Man About Town", became a lawyer for the Women's Friendship Club. Latest college reports say Dolores Faehnrich is doing her best in the stenographic field. Norma Bohning is qualified as a Physical Education teacher. Lenore Boukalik is now a registered nurse. Louise Kizyma has finally completed her four years of college, through the twenty year plan. Jean Wandersleben is also successful as an office nurse.

Ernest Matuszewski, Americo Forestieri and Robert Minchak are doing fine in the chemical and engineering organization. Halina Krawczyk, certified public accountant, is one of the highest paid workers in the court house, with Alice Nolan, head filing clerk, rating next. Dorothy Czerny is now at Washington, D. C., in the White House balancing the national budget.

Alice Novak is a student at Thiel College and working hard at her studies. Thomas Laurenzi is a Mechanical Engineer at Case. Zetta Brock, Rose Marie Cunningham, and Lucille Zulewski are models while Dorothy Kachinko is a Powers model. Magdalen Pikus is posing for the Du Barry's success course. Carol Kavan has reached her goal and is now a concert pianist, while Dolores Kren is a professional roller skater. Rita Vice is successful in opening up her own dress shop.

Gene Cianciola's fingers are still working on the keyboard, and he is now a famous band leader. Ed Slowik, retiring at an early age, is leading a peaceful and contented life. Ed Bowles, although not retired, is holding one of the easiest jobs in town. Alice Chanson is healthy, wealthy, and wise. She employed Mary Pigat as her beautician, Rita Hengenius as her private nurse, and Margaret Kroger as her secretary.

Margaret Plesh has just arrived back in this country after visiting South America. Norine Moore, as a private secretary, is returning from a vacation in Europe where she met Phyllis Reed.

Loria Neri is still on her tour around the world with her private secretary, Grace Pastula. On the Trans-Atlantic plane they met Julius Pignatello, the pilot of the plane, and Sally Clines the Air Stewardess.

Mary Nemastil is living on one of the beautiful, tropical islands of Hawaii, where she has all kinds of recreational facilities. She recently saw Ken Bellis, who is a traveling bum. Bill Flynn, a famous wealthy explorer, recently arrived back in this country from a wild, adventurous trip through Utopia, where he met Dolores Tesmer who is Queen of Utopia. For some news in the field of science —Michael Matonis is nearing the completion of an atom-machine, which will either destroy the universe, or Michael.

Suddenly, I heard terrific noises and began falling through space. I suddenly awoke to find myself on the floor of the streetcar, with the familiar and ever smiling face of Nancy Knowles standing over me and helping me to my feet. What fun it had been to see a preview of the future lives of my classmates.

Last year the Mirror was awarded a first class excellent rating from the National Scholastic Press Association. To terminate the year's activities The Mirror Banquet was held followed by the Annual Mirror Reunion.

The Mirror Staff was headed by Page Editors, Rose Bannain and Jim White, with Richard Kucera, staff photographer. The paper's activities have been under the supervision of Mr. Philip B. White, Advisor.

Comments after 25 years of Service

Miss Victoria Mansfield: "In a quarter of a century, the most apparent educational change I perceive is in attitude toward the extra-curricular program. "Activities", excused at first as healthy exploitation of the students' current non-academic interests, are now demanded for their early and continuous experiences in democratic living. In high-schools, student organizations were accepted in theory at about the same time I was accepted in practice."

Mrs. Mabel Saner: "In my twenty-four years with G.H.H.S. I have witnessed a continuous growth which has culminated in our present excellent system. It is my hope that these years have been as rich in experience and as full of pleasure for those of whom I have been a teacher as they have been for me."

Miss Norma Wilker: "It has been stimulating to watch the growth of the community both in size and in interests."

Mr. Gaylord Folk: "As a center of the huge industrial city of Cleveland, it has been gratifying to watch the continual growth of the Industrial Arts Department in Garfield Heights High School.

FOOTBALL

Although our bulldogs did not maintain the undefeated record of last year, or bring home a co-championship trophy of the '44 season our boys maintained that traditional fight and spirit that Garfield football teams are noted for.

The annual football banquet was held on the evening of Monday November 18th. The most valuable player of the year award was presented to Chuck Andrle. As a part of the Banquet program Mose Hole was the guest speaker.

This season our team established a new minimum time scoring record. We scored on Bedford, six seconds after the kickoff.

Letters were awarded to the following: Charles Andrle, Carl Bluso, Raymond Grazak, Dave Laurenzi, Norman Kubinski, Wayne King, Art Osowski, Victor Pikus, James Porubsky, Richard Schlegel, Ronnie Sineway, Walter Wawrowski, Thomas Lynch, Robert Reichart, Joseph Stankiewicz, Rudolph Kastelic, Donald Vavruska, Jack Kehoe.

Our coaching staff this year consisted of: Jack Wilson—Head Coach, Edward Moderick—Assistant Coach, John Boyer—Freshman Coach. Walter Williams is our Director of Athletics.

FOOTBALL QUEEN

Pretty blonde Ruth Wurgler has been a member of Garfield Heights High School since the seventh grade. She had previously attended Garfield Elementary. While at Garfield High she has participated in the Leader's Club, Spotlite Club, G. A. A. and was also a member of the band during her freshman and sophomore year.

In her junior year Ruth participated in the Spring Play "You Can't Take It With You". In addition to these activities Ruth devotes much of her outside time to dancing. She has added sparkle to many of our annual Showboats with her colorful dance routines. This year Ruth topped her high school career by being nominated by the football team and chosen by popular vote of the student body as Garfield Heights' Football Homecoming Queen.

CHEERLEADERS

This year's cheerleading squad consisted of Barbara Sullivan, Captain, Mary Caputo, Louise Kizyma, Beverly Wilkes, Ruth Chaloupka and Jean Linke. This is the last year for Barbara, Mary and Louise who have done a wonderful job adding spirit to all the school athletic events. The rest of the squad were juniors and will be back again next year.

In addition this year we have had a sophomore squad of girls who have cheered for all Freshman and Sophomore teams. These girls have received training that will help them next year. Both cheering squads are under the direction of Mrs. Jane Forbush.

BASKETBALL

Voted the most popular sport by the senior class, basketball again highlighted the winter sports activities. With only one returning letterman and having one of the hardest schedules of recent years the varsity produced the following record.

Varsity: Paul Senyak, Ed Fulkerson, Dan Peterre, Byron Svetlik, Ronnie Sineway, August Brown, Ed Slowik, and Lenn Barcikowski.

Junior Varsity: Don Corlett, Jim Maras, Ted Tylicki, Bob McVoy, Walter Krause, Palivec, Allard May, Robert Reichart and Bob Miller.

Varsity Coach: Jack Wilson, Junior Varsity, Edward Moderick and B Team, John Boyer. Managers were Richard Nagel and Ray Pilarowski.

Out-classed, but not out-fought, the wrestling team has fought through the season. A handicap is that Garfield starts each match ten points behind, because of the lack of boys to compete in certain weights. The wrestling squad is definitely in the process of building as we lose only two seniors through graduation this year.

OUR BAND

An important part of our school is the High School Band which is extremely active during the football season. Among the activities of the band are the Charity Football Game Band Ceremonies, the Decoration Day Parade, and the Euclid Beach Community Day.

This year, Mr. Vincent Patti, the new director, has reorganized the high school band.

With a membership of 55, the band elected the following officers for the year: Edward Pientowski, President; James Swinehart, Vice President; Erma Wolfe, Secretary; Robert Minchak, Treasurer; Donald Nemec and Raymond Nagel, Librarians; La Verne Manke, Bank Manager; and Shirley Mara, Patricia Miller, and Sally Clines, Drum Majorettes.

ORCHESTRA

The high school orchestra, though small, has good instrumentation this year. The group provides processional and recessional music at assemblies. The chief assignment of the orchestra each semester is to play at Commencement exercises. The musicians this year encouraged future instrumentalists by demonstrating their instruments and performing at Garfield and Maple Leaf Elementary Schools.

The orchestra, under the direction of Mr. Vincent Patti, spends most of its time sight reading anything and everything. It is a source of enjoyment for the members who relax in playing and listening to music.

The violin section consists of Rose Bannaian, Americo Forestieri, and Rhea Fields. The orchestra, for a while, also had the assistance of Margaret Rose Holdeman on the cello. The flutes are played by Nancy Knowles and Mary Smith while Patricia Miller and Donald Nemec perform in the clarinet section. Our trumpeteers are Edward Pientowski, Richard Schneider, and Henry Schlaeppi. Ed Slowik and Ray Basta contribute the mellow tones of their saxophones, while Bob Minchak blows the horn. Erma Wolfe and Rose Marie Dougher provide the bass beside Joe Svoboda, the drummer. Bruce Walton plays the tuba. All are blended together by Carol Kavan at the piano.

This award is given to people who have achieved an outstanding advancement in mathematics and science. James Swinehart was the winner of the Award this year.

LATIN CLUB

The Comites Romanorum or the Latin Club, under the leadership of Mrs. Mabel Saner, has twenty-six members this year. They meet the 2nd and 4th Tuesday of each month. The officers are: Consuls, Edward Pientowski and Jeannette Simia, who take charge of the meetings alternately; and Quaestor, Rose Ann Minchak, who has duties similar to those of secretary and treasurer. The purpose of this organization is to further vitalize the subject of Latin, enrich the cultural background and show the debt of modern civilization to the Romans.

PHOTOGRAPHY CLUB

One of the newest and most promising organizations in our school is the Photography Club under the sponsorship of Mr. Eugene Korb.

The group attempts to learn much of the background and actual development of photography. They also process and develop the pictures which they take. The twelve members who meet on the first and third Tuesday of each month elected the following officers to preside for the school year.

President.....Richard Kucera
Secretary.....Allan Jones
Treasurer.....David Hiebscher

The choristers sing all types of music but tend to lean toward a cappella singing. Their rendition of modern melodies and classic selections have become highlights of added entertainment.

The Choral Club is directed by Miss Elma Williams and accompanied on the piano by Carol Kavan and Janet Addis.

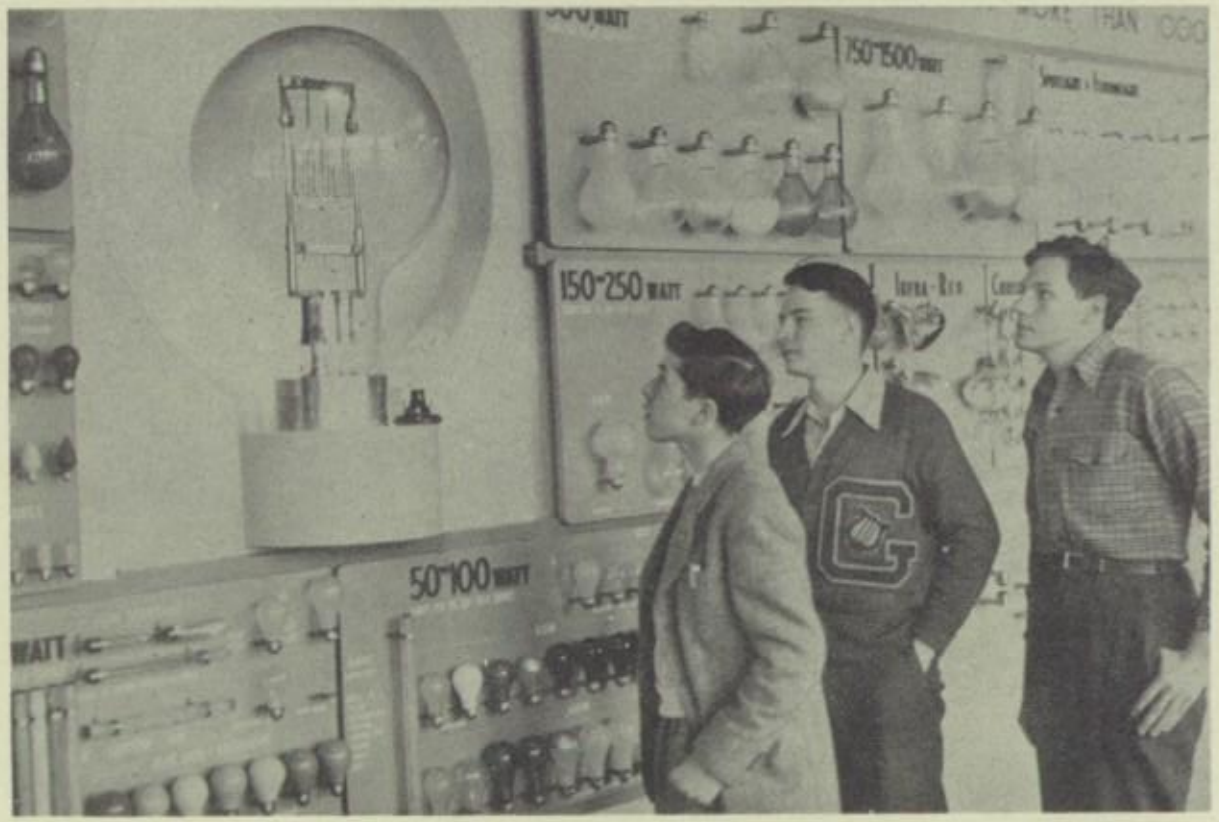
SCHOOL TREASURER'S STAFF

Our School Treasurer, Mrs. Louise Conley, is assisted in her duties by Loria Neri, Phyllis Reed, Rosemary Roberts and Joan Dasko. These students contribute their school time and their compensation is the experience gained by helping handle, disburse and account for the funds deposited and withdrawn by our many school activities.



WORLD AFFAIRS

Our World Affairs Club has as its advisor, Miss Dorothy Wahl. Various meetings within our school and in cooperation with other schools are held. Forum discussions and informal discussion help the members of this Club keep aware of the problems of the World in our time.

SHOWBOAT!

SHOWBOAT!

The annual Showboat docked at Garfield Heights Auditorium on November 15 and 16 of the year 1946. The Showboat cast performed on the setting of a college campus in southern Ohio. Novelty numbers were played by the Rhythm Band who also accompanied many of the acts. The show consisted of a Football Girls' Dance, Ballet, R. K. O. Rockets, Folk Dances, Conga and Rhumba. Solo and duet dancers and singers added to the evening's entertainment. The Choral Club, acting the part of college students dressed in the college style and color, were in the background and accompanied some of the acts with their singing. Vocal solos, instrumental numbers and personalities were on hand to enliven the evening's entertainment.

It was a very colorful performance and the Garfield Heights student talent helped make the show a huge success. The Showboat was under the direction of Mrs. Florence Fletcher. Miss Elma Williams, Miss Dorothy Wahl and Mr. Vincent Patti were associate directors and Miss Ruth Grunauer and Mr. Raymond Stiefel were in charge of scenery and stage settings.

MAGAZINE STAFF

Each year a magazine campaign is held to raise money for the General Fund which provides for special school activities, athletic letters and equipment. The sale of these magazines by the students is managed by a staff of girls experienced in bookkeeping practice. Mrs. Conley, Miss Seidel and Mr. White, the advisors of this annual all-school campaign, were aided by Dorothy Czerny, Zetta Brock, Lucille Zulewski, Ruth Grove, Sophie Morinek, Janice Renski and Evelyn Skura.

THE HOSTESS CLUB

The Hostess Club is one of the most practical of the various organizations in Garfield Heights High School. Under the direction of Mrs. Foster, the faculty advisor, the girls are prepared to serve for any luncheon or banquet that may be planned. Thus the girls gain valuable experience and receive excellent training for hostess work. The dozen members meet once each month. Ruth Gardner is their president.

FRIENDSHIP CLUB

As "Friendship" is an outstanding part of school life, a club was organized to foster this feeling of friendship among the girls of Garfield High. As a result, the Friendship Club, one of the oldest organizations of the school, came into existence and now has a membership of over one hundred girls. Recently this nation-wide organization, which is under the guidance of the Y.W.C.A., became known as the Y-Teen Club. Officers of the club are: Louise Kizyma, President; Patricia Orpin, Secretary, and Evelyn Mack, Treasurer.

THE STUDENT COUNCIL

The Student Council is the representative assembly of our high school. As such it formulates the policy for student activities. Miss Norma Wilker is the faculty advisor and Donald Peters is the Council President.

Representing the judicial department of the High School the Student Court handles all cases of violation of the prescribed Student Council conduct rules. The Student Patrol first gives warnings and then refers offenders to the Court.

Vernon Klopp is the Judge, who conducts meetings and arranges for trial hearings. Carol Schmiel as secretary records court happenings and sends out the court notices. Mr. Raymond Stiefel, Patrol advisor, has helped the judicial department of the Student Government organization.

When in trouble most folks find themselves before the Student Court telling their case to a body of student representatives. The Student Court is respected by the student body as the clearing house of student law enforcement.

GIRL LEADERS

JUNE—Graduation here at last but the seniors don't seem as happy as they thought they would be. In the traditional caps and gowns we marched down the aisle to the familiar March of the Priests to receive our diplomas. We suddenly realized as we walked over the threshold that we were now numbered among the alumni. May we be true Pioneers of the future so that in the years to come Garfield Heights High School may be proud to hail us as her sons and daughters.

THE PATROL

ALL SCHOOL DANCE

ALMA MATER

Hark! the sound of martial feet
Breaks upon the air today
Sons and daughters of old Garfield
March along to win the fray
Hand and heart and voice united
As we gaily swing along
And the ans'ring heavens echo
To our battle song!

CHORUS:

Fight for Garfield!
Win for Garfield!
Raise her colors old.
Onward pressing ever onward
For the blue and gold.
With a voice of mighty thunder,
Mounting to the sky!
Hail to thee our Alma Mater
Hail old Garfield High.

WE ARE PROUD TO PRESENT

This group returned from all parts of the World to their favorite vocation at The Gray Printing Company.

Young in mind and spirit — they represent the nucleus of our organization for many years to come.

APPRECIATING how priceless your Annual may be in later years—a forgotten face or name—happy events recalled—these many Veterans along with the others in the Gray organization consider it a privilege to be of assistance in such a worthy achievement and to help you produce books of exacting quality and good taste.
